- Understand photography across global cultures and genders

Projects

Textures - Macro - Portraits - Candids - Action - Fashion - Wildlife
Collage - Cubism - Creative Filters - blogsites - Gallery Exhibits
and More!

Mr. Lee

Mr. Lee grew up in Long Beach and has traveled the world as a photographer and artist. He graduated from Cal State Long Beach *magna cum laude* with BA in art history. He is married to Sandra and they have a kitty-kat named Micah. Mr. Lee loves Indian food, art history, going to museums (yes, we will!) and making art.
